- **Communications:** Tom H Absent; Doug will be in contact with Tom H to ensure he has the availability to continue with his role with NSHA Committee.
- **Improvements:** John F reported that the sign on Farnsworth was painted. We have a stop sign ready to be put up just working on getting a proper ladder. Theo reported that a piece of the sign may be missing on Dunhill Court on one side of the sign. Some people in the community were upset with the quality of work done with the magnolia trees. This work was done by the city and hence is out of our hands. Homeowners are responsible for bushes and trees on their property, if there is an issue with a bush or tree trimming the homeowner will be the person contacted not the city or the homeowners association. Doug is working with Tom H in communications to get a survey for improvements put together.
- **Garage sale update-** Dawn has 11 families currently signed up for Saturday
- **Membership/Social:** Looking at doing multiple events for kids and adults. Solomon will plan a member meet up for July. A popular event for Adults only is the Evening Under the Stars, more details to come about events from Solomon. We will look to do more social events for free in the hope of increasing membership. **NSHA** annual meeting tentatively scheduled for Saturday June 8th at Mark Trail Pool. Doug will be checking on availability of the pool and will confirm this location. Tentative time is 11am or 11:30

and food will be served. A budget of \$300 was proposed and approved for the meeting. The pool will be available for the NSHA committee members for the day. We need to be looking at doing some smaller events to peak new member interest.
